

9th Grade Literature & Composition Summer Reading 2018

Students must read an independent reading book of their choice over the summer. Below is a list of suggested books, but students have the option of choosing a text that is not on the list as well. Another great option for book suggestions is the Gwinnett County Public Library's website. Students can view the recommended young adult book list to find their choice of novel.

Students must read their book and be prepared to complete a written assignment within the first two weeks of class.
